FINANCIAL (price) EVALUATION

The financial evaluation will be made based on the total cost of the financial evaluation (price of the offer), calculated on the basis of the cost simulation scenario provided in Application form.

Assessment under the criterion „price” will be based on the following formula for each category:

$$P = P_{\min} / P_{\text{of}} \times 40 \text{ points}$$

where:

P_{\min} - the lowest proposed price

P_{of} - price presented in the examined offer

P - the number of points awarded to the examined offer under the price criterion, rounded to the full number.

AWARD OF THE CONTRACT

The contract will be awarded to the most economically advantageous tender, which will be established by weighing technical quality against price on a 60/40 basis.

The final score will be calculated using the following formula:

$$\text{Final score} = \text{Technical score} \times 60\% + \text{Financial score} \times 40\%$$

The tender obtaining the highest final score will be deemed to be the most economically advantageous tender.

*Comparison of the weight of Price and other criteria is 40%
