

Order of the Procurement Process Coordinator for Procurement no. FSM-2023-05-26

A responsible process coordinator is Nino Svani - Project Coordinator

On June 26<sup>th</sup> of 2023, the procurement process coordinator decided to close the ongoing Call for Service no. FSM-2023-05-26. The decision was made since the deadline for the submission of applications passed on June 25, 12 AM Tbilisi time and no tenders were submitted.

Consequently, the procurement process coordinator Nino Svani has decided to conduct market research without an announcement and contact the potential service provider via email.
