

1) Even if you are submitting the tender as a Non-Entrepreneurial Non-Commercial Legal Entity (NNLE), you can tick the “commercial entity” option in the Service Provider Fiscal Statement form. Moreover, instead of indicating owner(s) and/or shareholders, please indicate Board/Management Body members or founders or other management body (if applicable) when filling out the Service Provider Fiscal Statement form.

2) Desk research, of census and other statistical data, available in the public domain (as is) will be considered as applicable and relevant methodology to be used when drafting requested report;

3) As stated in the call for proposals, applicants should define and propose an adequate extent of representativeness that will be feasible and possible to achieve under the frames of the suggested budget. (Please Consult budget limit);

4) The budget proposed from the relevant applicant should cover any and all applicable charges that applicant will incur when performing its contractual duties (including field visits, as will be needed/limited by the applicant). (Please consult the budget limit).
